

# Certificate

**Certificate number: 2025-006**

Certified by EY CertifyPoint since: June 5, 2025

Based on certification examination in conformity with defined requirements in ISO/IEC 17021-1:2015, the Environmental Management System as defined and implemented by

**Amazon Web Services, Inc.\***

and its affiliates (collectively referred to as Amazon Web Services (AWS)) are compliant with the requirements as stated in the standard:

**ISO 14001:2015**

Issue date of certificate: June 5, 2025

Re-Issue date of certificate: July 3, 2025

Expiration date of certificate: January 15, 2027

EY CertifyPoint will, according to the certification agreement dated July 16, 2024, perform surveillance audits and acknowledge the certificate until the expiration date noted above.

*\* This certification is applicable to (a) the services and their associated assets and locations as described in the scoping section of this certificate, and (b) any affiliates that are responsible for, or that contribute to, the provision of such services and their associated assets and locations.*

J. Sehgal | Director, EY CertifyPoint

DocuSigned by:

**Jatin Sehgal**
